## LOU DILLON NOW CHAMPION OF TROTTERS COVERING A MILE AT MEMPHIS IN 1:58 1-2

Billings' Great Mare Gives a Wonderful Performance Under Adverse Conditions

Covers Mile Without a Falter and a Satisfactory Feature Is That the Time Was Agreed Upon by Judges

LOU DILLON.

MEMPHIS, Tenn., Oct. 24.—Lou Dillon, owner of N. C. O. Billings, of Chicago, and driver of the great mare, this afternoon proved his right to the title of champion of the trotting world, by covering a mile in 1:58 1-2, under adverse conditions. The time was agreed upon by the judges, and the performance was a wonderful one. The mare was driven by Dillon, and the time was 1:58 1-2. The performance was a wonderful one, and the time was 1:58 1-2.

## SURE INDICATIONS OF BAD BLOOD

OLD SORES  
ULCERS  
ABSCESSSES

There is no better evidence of a bad condition of the blood and unhealthiness of the system than a sore that won't heal, or a festering, discharging Ulcer or Abscess. These are many ways by which the blood may become contaminated and poisoned. A long spell of malarial fever or other debilitating sickness, the excessive use of mercury in certain diseases, inactive kidneys and torpid liver, exposure and lack of nourishing food, weaken the constitution and cause the system to become congested with impurities which are taken up by the blood, and wherever the flesh is bruised or scratched a festering sore or discharging ulcer begins. A boil or blister, pimple or burn often develops into a frightful looking sore because of the unhealthy condition of the blood, and the place will continue to grow and spread, finally reaching the bones and causing them to decay unless the blood is purified and the system thoroughly cleansed of all morbid and unhealthy accumulations. This cannot be done with washes, salves and soaps, which only afford temporary relief.

Such things neither make the blood any purer nor the system any cleaner, and to depend upon them alone is suicidal and senseless. The sore or ulcer is only a symptom, an outlet for the poisons circulating in the blood, and as long as it remains impure the sore will never heal. It may subside and appear to be getting well, but a fresh outpour of matter from the diseased blood starts it again, and thus it goes on, sometimes for years, slowly, sapping away the life of the patient.

The only way to get rid of these disgusting evidences of impure blood is to remove the cause by purifying the blood, and nothing does this so surely and effectively as S. S. S. It drives out of the circulation impurities and germs of every kind; and under the tonic effect of this great remedy the general health rapidly recuperates and broken-down constitutions are built up and strength and vigor are restored to all parts of the system. When S. S. S. gets into the circulation, impurities that have been clogging the blood and causing the old sore or ulcer are driven out through the natural channels of the body, and the place begins to heal, the discharge gradually ceases, new flesh forms and smooth, healthy skin hides all signs of the painful, sickening sore.

S. S. S. is an entirely vegetable remedy, containing both purifying and tonic properties, making it the ideal medicine where the blood is out of order and the health undermined by some previous ailment resulting in chronic sores, ulcers, boils or abscesses. A sore that does not heal promptly, no matter how small, will bear watching. It is a sure indication of bad blood, and may develop into something far more serious than a common ulcer. It may be Cancer. Through our medical department we are rendering valuable help to those afflicted with sores and ulcers of various kinds. Write us, and our physicians will advise you without charge.
